TO SECURE QUARTERS.

"Strollers' Club" Proposes Opening Rooms in Near Future.

The Strollers' club anticipates opening headquarters and club rooms in one of the uptown business blocks about Feb. 1. They will be elaborately furnished and will consist of a library and reading room, reception hall and two lounging rooms. A reception will be given on the opening night.

The club has chosen the automobile for its emblem. This vehicle was much in evidence in the opera "The Strollers," and now appears on all of the club's letterheads, programmes, invitations, etc. If the weather permits, the club intends to advertise its coming events by using an automobile. It is also the intention to give an automobile outing as soon as the weather will permit.

The New Year hop given by the club at Unity hall on the evening of Dec. 29 was one of the most delightful dances of the season. The colors of the club, which are pink and green, were used in many designs in the dancing hall. It is the intention of the club to give other dances during the winter, and, judging from the large attendance of the last one, it is safe to say that they will be well patronized. After the dancing season has closed excursions will be planned to adjacent cities and resorts. The Strollers' club was recently reorganized.

IT SPELLS PROSPERITY.
